

1. The first part of the document is a header section containing the title "THE EFFECTS OF THE 1990S REFORMS ON THE CHINESE ECONOMY" and the author's name "JIANHONG ZHANG".

2. The second part is the abstract, which states: "This paper examines the effects of the 1990s reforms on the Chinese economy. The results show that the reforms have led to a significant increase in economic growth, but also to a decline in the quality of the environment."

3. The third part is the introduction, which discusses the background of the reforms and the objectives of the study.

4. The fourth part is the methodology, which describes the data sources and the econometric models used in the analysis.

5. The fifth part is the results, which presents the findings of the study, including the impact of the reforms on economic growth and environmental quality.

6. The sixth part is the conclusion, which summarizes the main findings and provides policy recommendations.

7. The seventh part is the references, which lists the sources used in the study.

8. The eighth part is the appendix, which contains additional data and figures.

9. The ninth part is the index, which provides a quick reference to the different sections of the document.

10. The tenth part is the glossary, which defines the key terms used in the document.
